## A46 Come to My Wedding Feast, Matthew 22:1-14 Twenty- Eighth Sunday in Ordinary Time

A father invited many people to a big feast to celebrate the wedding of his son. Many people did not come to the party. They ignored the invitation. They got busy doing their own thing. God does not want you to be so busy that you do not have time for him. He wants you to set aside time to celebrate with him. Read the Bible. Pray. Thank him. Ask him for help. Encourage others to make time for God, too.
